

ARNOLD INTRODUCES ANTI-JAPANESE BILL

At yesterday forenoon's session of the assembly "An act relating to the rights, powers and disabilities of aliens and of certain companies, associations and corporations, with respect to property in this state, providing for escheats of certain property-holding to facilitate the enforcement of this act, prescribing penalties for violation of the provisions hereof, and repealing all acts or parts of acts inconsistent or in conflict herewith," was introduced by Assemblyman Marvin Arnold of Nye county.

The first section of Arnold's bill provides that all aliens eligible to citizenship under the U. S. laws may enjoy the same property rights as citizens of the United States, except as otherwise provided in the state laws.

The second section would permit aliens not in the above class to hold property to the extent and for purposes prescribed by any treaty now existing between the United States government and the nation or country of which the alien is a citizen or subject, and not otherwise. The same limitations apply to companies, associations or corporations organized under the laws of other states or nations, of which the majority of members are aliens other than those designated in the first section, or if the majority of the issued capital stock is owned by aliens ineligible to U. S. citizenship. The acquisition of stock in designated organizations by ineligible aliens is also restricted and limited.

One section of the Arnold bill prohibits aliens not able to become U. S. citizens from appointment as guardians of the estates of minors, where property is of a nature not allowed such aliens. Procedure on estate matters of this kind is provided.

The act provides that property acquired in fee or in violation of the provisions of this act by aliens of the non-eligible class shall escheat to the state, and shall become the property of the state of Nevada. The attorney general or the district attorney of the proper county is designated as the officer to institute necessary proceedings.

One provision of the anti-Japanese measure would place a time

limit of two years on possession of Nevada agricultural land acquired in enforcement of or in satisfaction of mortgage or lien hereafter made or acquired in good faith to secure a debt to companies, associations or corporations of alien origin or ownership.

The proposed law further provides that leaseholders or other interests in real property, less than the fee, hereafter acquired in violation of the law by persons designated in the second section of the act shall escheat to the state of Nevada, and that the property so held shall be sold by order of court. The attorney general or proper district attorney shall institute proceedings to enforce this provision.

Conspiracy of two or more persons to effect transfer of real property in violation of the act is punishable by a maximum jail or state prison sentence of two years, or a maximum fine of \$5000, or both such fine and imprisonment.

The bill expressly provides that it shall not affect pending actions or proceedings, and that should any part be declared unconstitutional, the validity of the remainder of the law shall not be affected.

CHANGES IN WEST DIVIDE

Ed Bevis has been appointed manager of the West Divide, succeeding L. L. Patrick; Jack Bricker has been appointed superintendent, succeeding George Pearson, and Miss Bertha Garnett has resigned as secretary. The business affairs of the company now being handled in the offices of Allan Rives in Tonopah. Heretofore the business has been handled partly in Goldfield and partly in Tonopah and the changes are said to have been made to consolidate the management in Tonopah.

MISS AVERILL WOULD SUSPEND SMOKING RULE

Miss Ruth Averill, member of the assembly from Nye county, won the applause of her 35 male colleagues by moving suspension of rule 58, which prohibits smoking in the hall, and the applause was redoubled when it was understood that her motion was intended to make the suspension last throughout the session. —Carson News.
